GREATER RUGBY.

As Good Lots Still Left As Any Yet Sold.

All the centre of RUGBY was advanced on June 12th 10 per cent. in price, and at the same time Additions 2 and 3, which are among the most beautiful of our holdings, were placed on sale at the ORIGINAL PRICES. Our policy with property we control at RUGBY is to put on additions of about 500 lots each as demanded, increasing all previous additions at the rate of 10%, possibly more, whenever a new portion is put on sale.

Card to Those Who Have Received Our Letter and Newspaper.

Owing to the fact that we still have many very beautiful lots at RUGBY, especially on our new additions, all the offers made in that letter are EXTENDED FOR 30 DAYS.

IMPORTANT! We are extremely anxious that each person who received this letter or newspaper shall within the next two weeks make a personal visit to RUGBY, at our expense, whether they desire to purchase or not, as we have a communication to make which is of great value and one which it is not entirely advisable to outline in a public advertisement.
